Next Production Of Little Theatre To Be Well Polished Presentation

Observations...

By UDELL

Every qualified voter is urged to go to their voting precinct at 10:00 a.m. Thursday, June 5 and nominate two men from their precinct as members of the committee which appoints the five representatives to serve for the next four years on the Hancock County Democratic Executive Committee. The Executive Committee handles all elections in Hancock County during the term in which they serve. The Executive Committee in turn will send delegates selected by them to the state democratic convention in Jackson.

You owe it to yourself and your county to get out Thursday and nominate the men who will appoint your Democratic Executive Committee to serve for the next four years.

It's a sin and a shame that our young vandals cannot see something standing without getting the urge to tear it down. A while back, the City Park and Playground Commission erected some swings and a slide on the beach and buried them in concrete. Well, the temptation was too great and some person or persons willfully destroyed what brought pleasure to so many children playing on the beach. They tore the slide out of the ground and damaged it to such an extent that it had to be removed by the city. If you, the people of Bay St. Louis, do not want playground equipment on the sand beach, please notify the City officials or members of the Park and Playground Commission, and they will not put it there, at a great expense, just to be destroyed. How could anyone be so mean? To do something of this type requires little character and parental guidance. If it was done in fun these juveniles should seek their fun elsewhere at no expense to their fellow man. A deed of this type requires little intelligence, only a certain amount of meanness. The City officials are offering \$100.00 REWARD to the person or persons furnishing information leading to the arrest and conviction of the party or parties found guilty of destroying or damaging any playground equipment on the sand beach.

The Kings' Daughters Hospital is now affiliated with the Blue Cross Hospitalization plan, and in the near future, they are going to issue a call for individual subscribers. This plan will be of a great help to local families during illness or accidents.

Tomorrow, Saturday, May 31, Poppy Day, our American Legion Auxiliary asks you to wear a Memorial Poppy in honor of our war dead. Made by disabled veterans for the needy disabled veterans and the aid of war widows and orphans, these bright red Memorial flowers are the Veterans' way to honor the dead as they care for the living. Wear a Poppy! Give—generously as you have received.

Registration for the first summer term at Kettle College is open until June 2, when the first classes are started. Classes will be held from 7:00 to 10:15 p.m. on Monday, Tuesday, Wednesday and Thursday nights. The summer session will have two terms of six weeks each and students may earn up to 16 hours of credit during the session. The first session will end July 10, and the second, which starts July 11, will be completed August 21. All Kettle College courses apply toward the Bachelor of Arts degree. Additional courses, other than those mentioned last week, will be offered if there is sufficient interest or demand. For additional information write or phone the Director for Admissions, Kettle College, Pass Christian, Miss., phone Pass Christian 192.

Fine acting in a polished play will be recognizable in "Payment Deferred", the next presentation of the Bay St. Louis Little Theatre, June 12, 13 and 14.

Gripping, exciting, with keen interest from prologue to epilogue, this melodrama will be a delight for patrons of good theatre.

Under the direction of Kenneth Thompson, a man with 35 years of theatre experience, the cast has been intensely groomed for the production.

Mr. Thompson is known for his Oscar-winning performance as Oscar in "The Silver Whistle", a play which ran at the Little Theatre last year. In New Orleans at the Le Petit Theatre, he has done starring roles for the past 30 years; he has also been active in the production end of the theatre.

Many of the cast are familiar workers in the theatre who always please with their performances. There are, however, several new performers, among whom Mrs. Ann Forest is one of the outstanding.

The theatre's president, N. L. Carter, with Eugene Raymond, will furnish the audience an excellent prologue and epilogue.

Lee Esau rates among the best actresses of the local theatre group and does an unusual job of character portrayal in this play. Theatre-goers who have not purchased their memberships in the Bay St. Louis Little Theatre are asked to phone Mrs. Frank Kiefer, business manager, 419. Gate admission has been raised to \$1.50 per performance. A saving will be made by buying a membership although one play has already been produced this season.

The following directors have been named to handle executive affairs of the Pass Christian Isles Golf Club: John Bell, Sam Whitfield, E. A. Lang, George E. Morse, Shelby Tucker, Elec Cunningham, C. Randall Jones and Mrs. E. A. Gamard and C. D. Taylor Jr.

Elec Cunningham, a professional golfer, has been commissioned to put the course in playing order. Designs call for 18 holes of golf, however, it has been decided to open the course upon completion of the first nine holes.

The charter of incorporation was granted May 1, and Hancock Bank was named depository.

A. J. Piazza Jr. Welcomes In-Laws From England

Mr. and Mrs. A. J. Piazza Jr., of New Iberia, Louisiana, have welcomed to this country Mrs. Piazza's mother and father, Mr. and Mrs. William Black from England. Mr. Piazza is the son of Mr. and Mrs. A. J. Piazza of Bay St. Louis.

Piazza was stationed in England during the war at which time he first met his wife. Mr. and Mrs. Black decided to come to America a few weeks ago. Mr. Black is a highly skilled cabinet maker and with his wife plans to make permanent residence in the United States.

Mrs. Black was impressed by the large number of frame houses here in America. He stated that in England lumber was scarce.

Mrs. Black likes the American countryside and the fact that you can get so many things in the stores. She believes that in many respects the food situation is worse in England today than it was during the war. Mrs. Black is delightfully English, but, according to the New Iberia "Daily Iberian," she is not a bit homesick, because for her, "there will always be an England while there's a country lane."

Wins Scholarship

Casper Scalise Jr., a member of this year's graduation class at St. Stanislaus, won a scholarship to Tulane University.

Scalise, who attended S. S. C. only during his last year, won the scholarship medal for maintaining the highest average in the senior class during this period.

The American Legion Medal donated by the Clement R. Bontemps Post No. 139 of Bay St. Louis was won by Ernest Duval Johnson.

Special awards to the graduates included gold medals to the following: Clarence T. Kimble Jr., class president; Andrew Scalfidi, class vice-president; William Grace III, class secretary; Gregory E. Favre, class treasurer; Alfredo Canler, school spirit; Fred Cabell, athletics; Emile B. Carriere Jr., journalism.

The annual award for musicianship, service and dependability in the band department was merited by Gerald Kimble.

The processional, recessional and two selections preceding the processional were played by the school band.

The court of honor for Boy Scout Troops of the Bay-Pass District which was to be held on Monday, June 3 has been postponed until June 23.

Court of reviews are now being held to prepare the boys for the court of honor at that time.

At their semi-annual conference at Hotel Reed Thursday, May 29, the Mississippi Airport Managers Association announced that construction of the recently completed county airstrip will be postponed until June 13 or 14.

Dedication was not made at the appointed date, May 29, because of the gasoline shortage effected by the recent oil price increase. Plans from throughout the state were to land here for the dedication and then continue on a circuit tour of the state. As plans now stand, a similar group from Louisiana will accompany the Mississippi tour at the later date.

The business meeting was attended by 23 managers and officials from various cities and counties of the state. Among those attending were Bruce Campbell, state representative of the Civil Aeronautics Administration, and Charles F. Huest, district representative of the CAA out of Atlanta. A banquet was held at Reed Hotel that night.

The county's new airstrip, constructed with county equipment, is 2200 feet in length, and will be used to accommodate private planes. It will also be available for emergency landings. The airstrip is north of the Chapman property on Washington road.

Blue Cross Plan Established At Kings' Daughters

The executive board of King's Daughters hospital has announced the signing of an agreement with Blue Cross Plan whereby Blue Cross members will be provided with practically 100 percent benefits when using the hospital.

In conjunction with this agreement, individuals will be permitted to join and obtain the AA contract at a low cost.

Details of this enrollment, which starts June 9, will be announced at a later date.

—Don't forget to join the crowd at the Knights of Columbus fish fry and street dance, for the benefit of the BACK SCHOOL, tonight at 8 p.m., Back School Grounds. Vic Green and his hill-billy band will be on hand to furnish the music.

To Attend 1952 Magnolia Boys State

Penny Cole from Bay High School and Gerald Gex with Larry Scharff as alternate from St. Stanislaus will represent Bay St. Louis at Magnolia Boys' State, traditional summer training program during which high school boys of Mississippi assume state, county and city government functions in Jackson.

Boys' State will be held July 5 through July 12, as announced by John Virgen, chairman of Boys' State, American Legion, Department of Mississippi.

1952 will mark the eleventh session of Magnolia Boys State, Mississippi's greatest boys' educational program in government. Held in Jackson, selected boys, usually high school juniors, will for one week actually participate in such activities as the state legislature, state executive agencies including that of the Governor, commissions and board. County government is another feature as well as city administration. Boys selected for training will come to Jackson for the one week where quarters and dining facilities will be provided at Belhaven College. A medical liability insurance policy is carried on each boy by group arrangement.

Selection of boys to participate in Boys' State is made with the assistance of the school superintendent, principal of the high school, teachers, local Legion Post officials and clergymen. The boys selected have exhibited qualities of leadership and scholarship, particularly in civics and political science.

The sponsorship of individual boys is undertaken by either the Legion Posts, civic organizations, local firms, or some public spirited individual.

PARTICIPATE IN CAMPORES Boy scout troops 217 and 218 of Bay St. Louis and Troop 214 of Sea Scout Unit 214 of Pass Christian participated in the Bay State Cent Campore held at Campore near Sibley, La., last Sunday and Monday. About 100 boys and 40 adults were in attendance.

Troops 217, 218 and 214 were honored in the various campore events.

NATIONAL ASSOCIATION

Don't Be A Litter Bug

The National Council of Garden Clubs has tentatively adopted the slogan, "Don't be a litter bug!" If the NCGC's slogan is okayed by Congress, it will go into national use by the Federated Garden Clubs of America.

"Don't be a litter bug" means just about what it says. The garden clubs want Mr. and Mrs. John Q. Public, and their children, too, to keep America's highways and byways neat and clean. This in addition to keeping one's personal property in good shape.

Charity begins at home and so does neatness. Keep the home and the highway clean will keep the nation at its deserving beauty.

Most people don't think much of dropping an old newspaper or a piece of waste wrapping out of a car moving along an open stretch of highway; after all, nobody lives along the road. Actually more people "live" along this road than live in the largest mansion, for thousands of motorists pass daily, and dropping waste along the road will not enhance the appearance of these magic carpets of America.

This country of ours is indeed a beautiful place. Let's not mar this beauty by letting ourselves fall into a state of indifference as to the way our homes, streets and highways look.

BAY JUNIORS TO PLAY AT HOME SUNDAY

The first of two home games to be played by the Bay Juniors will be played on Sunday, June 1 at Morreale's Park at 2:00 p.m. The second will be played on June 8.

The game for June 1 will be played with the Tack Amusement Co. Club, familiarly known in the NORD organization as "TAC".

The probable lineup of the Bay Club is as follows:

Hendrikson	SS
Strong, D	2B
Gray	3B
Mathes	P
Dousson	LF
Duke	RF
Artigues	1B
Schaffer	CF
Kidd	

These boys are requested to report no later Sunday than 12:30 p.m. in uniform at the Scout House. The visitors will arrive in time for the late Mass on Sunday and will dress in Scout House.

CARD OF THANKS

To the workers who helped make the recent Cancer Fund Drive a huge success I wish to say "Thank You very, very much." To the public throughout Hancock County who so generously contributed to this most worthy cause I am also deeply grateful.

Hancock County exceeded its quota as set by the State Division of the American Cancer Society and without the wonderful help and cooperation shown by all our people this would not have been possible.

The additional money raised

Save The Timber Of Mississippi

Were you one of the timber harvesting operators that paid a fine and court costs for violation of the timber harvest law of Mississippi? Within the last three months in the Southeast District of the Mississippi Forest Service, a total of \$655.15 was paid in fines and court costs by at least twelve people. Were these people conscious of the time that is necessary to bring a devastated area into production again after removing all sources of seed for establishing a new stand of timber?

The personnel in each county of the Southeast District have been requested to contact as many timber harvesting operators as possible during the summer and explain the purpose of the timber harvest law of Mississippi and prevent the present destructive cutting practices that some operators persist in carrying on.

The cooperation of all operators is necessary if we are to grow timber on a perpetual basis. Good operators with the future timber resources in mind can be helpful in weeding out unscrupulous operators who have no regard for the conservation of our timber resources.

Timberland owners can also do their part in seeing that they are not left with a worthless tract of cut-over land that will be many years before any revenue will again be realized from it. The timberland owner should be very

County Chairman.

LETTERS

To the Editor:

I would appreciate it if you would print the following letter, which should be of interest to the general public.

Mrs. Paul M. Miller, Pres.
League of Women Voters,
of Bay St. Louis

May 13, 1952

Mrs. Paul Miller,
Bay St. Louis, Miss.
I have a copy of a Survey for Children in Hancock County compiled by the League of Women Voters of Bay St. Louis. I was delighted to see it as it is the first comprehensive study of county resources that I had seen since the White House Conference in December 1950.

Please extend my congratulations to the Children's Code Commission to the League of Women Voters of Bay St. Louis.

We are very proud of them and of their efforts to improve facilities for children and youth. If this office can help in any way, please do not hesitate to call on us.

Sincerely yours
(Mrs.) Bertha R. Grant
Executive Secretary, Mississippi
Children's Code Commission,
Jackson, Miss.

—Mr. and Mrs. Robert L. Camors are spending a week at Jeanerette, Louisiana, with her parents, Mr. and Mrs. Carlyle Bourgeois.

"Missions To America" Will Be Next WSCS Topic

The regular monthly meeting of the Woman's Society of Christian Service of the Methodist church was held in the home of Mrs. John Dicks, in Waveland.

Mrs. W. W. James presided. The guests, Mrs. Sam Jeffcote, Mrs. Bangard and Miss Joan Brauner were introduced.

The next study "Missions to America," will be held June 25 in a one day session. Mrs. Edward Phillips volunteered to be chairman of flower committee for the month of June. Mrs. W. L. Chetis, delegate to the W. S. C. S. Mississippi conference gave an interesting report.

A basket picnic sub-district meeting will be held on the lawn of the Long Beach Methodist church on June 5th.

A rising vote of thanks was given to Mrs. W. W. James, retiring president. Mrs. T. P. Clapp then took the chair as the newly elected president.

The devotional was led by Mrs. John Hebert and the prayer by Mrs. John Vanu. "Choose Ye This Day," a pledge service was presented by Mrs. Budkin Oliver.

Delicious refreshments were served by Mrs. Dicks, Mrs. William Bourgeois and Mrs. James Evans.

The booklet entitled "Interested in Council - Manager Government?" explains what council-manager government is, how it works and how to get it. Any municipality, organization or individual interested in securing a copy is invited to make their requests to the MEC's headquarters in Jackson.

Otto R. Smith of Meridian Council president, said the MEC is "not crusading" for council-manager government, but did sponsor the enabling legislation which passed the legislature this year.

"A MEC committee found that it is a form of government which lends itself to economy and efficiency," he said. "Therefore, the MEC supported the permissive legislation for Mississippi."

Buy A Poppy For Living Casualties

Tomorrow will be Poppy Day in Bay St. Louis and Waveland. Millions of Americans will observe the day by wearing memorial poppies in honor of the Nation's War dead and by making contributions for the welfare of

War's living victims, the disabled veterans and needy children of veterans.

Members of the American Legion Auxiliary and cooperating organizations will be on the streets from early morning with baskets of "repe paper" poppies made by disabled veterans, offering everyone an opportunity to pay individual tribute to the war dead by wearing one of the little red memorial flowers. No price will be asked for the poppies but contributions to the rehabilitation and child welfare funds of the Auxiliary will be received.

All of the Auxiliary poppy workers will be unpaid volunteers, giving their services for the dual purpose of honoring the dead and aiding the disabled. Among them

Larry Mauffray, son of Mr. and Mrs. Alden L. Mauffray of Bay St. Louis, was a member of the graduating class of Marion Military Institute, aMrlon, Alabama. The 110th commencement exercises were held Friday, May 23.

WELFARE IS MORE THAN A PENSION

Most citizens of Mississippi think of the welfare program as being only "old age pensions," and in terms of an old Negro who will not work out the garden and flower bed, or chop cotton because he is "on the Government." This Department is working during the work season without cutting down on the checks for the winter months. In other words, they will get no check during work season and the same amount as is now being received during the winter, instead of getting a smaller check the year around. Most recipients would rather not make \$200 in May and June if it will cut their December, January and February checks. If the Federal Government approves, we shall put this program into effect in the fall for cotton pickers.

The Old Age Assistance Program, however, is only one of the services rendered by this Department. In addition, we have will be members of three generations, wives, mothers and daughters of men who have served America in the three wars of this country. The poppy distribution is being directed by Mrs. Gordon Romanoff, Poppy chairman of the Clement R. Bontemps Auxiliary unit. The poppies to be distributed here have been made by disabled veterans at Gulfport Hospital and are crepe paper replicas of the famous poppies of Flanders Fields, which took root and bloomed in the raw earth of the battle grounds in Europe, providing Nature's floral tribute to the heroic dead. Ever since World War I, they have been worn annually throughout the English speaking world as a symbol of remembrance and to raise funds for the aid of disabled veterans and children of veterans.

Miles-Vaughn Wed In Quiet Ceremony

Miss Sara Lee Vaughn, daughter of Mr. and Mrs. J. D. Vaughn of Bay St. Louis, became the bride of Donald Miles, son of Mr. and Mrs. C. E. Miles at the home of the bride's parents May 29. Rev. Dr. J. B. Bailey of Mobile performed the double ring ceremony before an improvised altar decorated with magnolias and gladioli and lighted with white candles in five branched candelabra. The bride was of white embroidered organza having a full skirt and a pleated front panel; short sleeves and a pleated Medici collar completed the tight bodice. Immediately following the ceremony the couple left on a wedding trip and on their return will make their home in Bay St. Louis.

For traveling the bride chose a navy blue two-piece dress, white hat and white accessories. Her corsage was the orchid from her bridal bouquet. The bride is a graduate of Bay High and is a senior at Mississippi Southern College, Hattiesburg. Miles is a graduate of Bay High and attended Arkansas Teachers College.

**Telephone Service is a Big Value, too!**

Your telephone is one of today's biggest bargains. For while the cost of both food and clothing has more than doubled since 1940—and the average cost of living has risen approximately 85 per cent—over-all telephone rates in Mississippi have increased only 32 per cent.

In addition, Southern Bell's continuing installation of new facilities has doubled Mississippi's telephone network since 1945. More of your neighbors have telephones, now. You can call more of them, and they can call you. That adds up to more value.

Service in many places has been increased in value, also, by the enlargement of local service areas to include neighboring towns and communities.

This combination, plus clearer, faster, more dependable service, makes today's telephone the biggest package of value in its 75-year history.

the best possible service at the lowest possible cost

Evans - Patrick Wedding Held Sunday

Miss Mary Kathryn Patrick, daughter of Mrs. T. T. Ford of Columbia, Miss., became the bride of James A. Evans Jr., son of Dr. of James A. Evans of Bay St. in the First Methodist church of Columbia, Sunday, May 19, at 4:00 p. m.

Rev. Van Landrum performed the double ring ceremony before a background of greenery. Two tall standard baskets on either side held arrangements of white gladiolas and other white flowers.

Rufus Webb of New Orleans gave the bride in marriage. Her nylon tulle dress, in candlelight shade, was fashioned with a full skirt which fell from a shirred hip-yoke. The neckline was finished with a deep yoke of shirring which formed the short sleeves of the bodice. The finger tip veil of tulle was held in place by a small cap of lilies of the valley. She carried an old-fashioned bouquet of white roses and lilies of the valley tied with a streamer of white satin ribbon. Her only ornament was a double strand of pearls, a gift of the bridegroom.

Miss Patricia Patrick was her sister's maid of honor; Mrs. Max Mitchell was matron of honor. Both wore dresses of pale yellow nylon net with full floor length skirts; the bodices, with bolero effect, were of nylon lace. They carried cascade bouquets of shasta daisies intermingled with pale yellow mums. Yellow satin ribbon fell in streamer effect from the bouquets.

George Boyd Stone, of Kingsport, Tenn., cousin of the bridegroom, was best man. Groomsman were William Ross Pitcairn and Paul Edward Porter Jr. both of Bay St. Louis, and Max Mitchell of Columbia. Billy Pitcairn, nephew

ception was held at the home of the bride's mother where Mrs. Ford and Mrs. Evans were assisted in receiving by Mrs. Pitcairn, the bridegroom's sister.

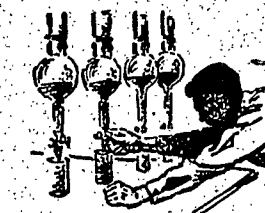

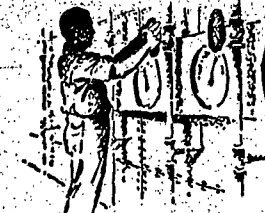

For her, daughter's wedding, Mrs. Ford wore an orchid marquisette dress with a white hat; Mrs. Evans was attired in a blue lace dress with pink accessories; and

Following the ceremony, a re-

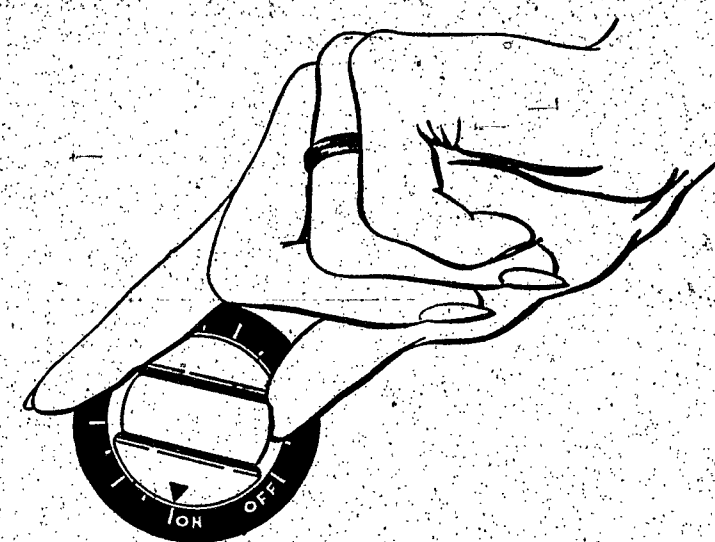

Mrs. Pitcairn was wearing an oyster white dress with pink accessories.

For traveling, the bride wore a crystal blue silk shantung suit with white accessories. Following their wedding trip to Lookout Mountain, Tenn., they will be at home in an apartment on Fourth street, New Orleans.

Attending the wedding from Bay St. Louis were Mr. and Mrs. C. C. McDonald, Dr. and Mrs. T. B. Sellers, Mr. and Mrs. P. E. Porter, Sr., Mrs. P. E. Porter Jr., and daughter, Sue, Mr. and Mrs. J. B. Goldman, Mr. and Mrs. H. L. Turnipseed, Mr. and Mrs. H. B. Weston, Mrs. C. M. Shipp and Miss May H. Edwards.

SIGN OF PROGRESS

in the GULF SOUTH

DEMAND FOR NATURAL GAS IS STILL INCREASING

More and more natural gas is being used in homes, commercial establishments, and by industries in the Gulf South. That means new gathering, transmission and distribution lines, as well as other facilities must be built to meet this growing demand.

Construction has recently been completed, or is now underway throughout our system, on projects costing approximately \$181,000,000. Much of this money is being expended in the Gulf South, and ultimately will go into the hands of thousands of Gulf South citizens.

Auto Taxes Show Increase Over 1940

Motor vehicle registration fees and gasoline taxes paid into the state treasury now cost the people of Mississippi more each year than the total of all state taxes cost them in 1940, according to G. B. Huth, County Chairman, of the Hancock County Petroleum Industries Committee.

"This shows how the state tax burden has grown in recent years," he said, "and it also shows how much of this burden has fallen on motor vehicle owners."

Registration fees and the state gasoline tax brought in \$33,305,000 to Mississippi last year, Mr. Huth said.

This tops the state's total tax receipts including automotive taxes, of \$32,810,000 in 1940, he added.

Besides these state highway user taxes, the federal government levies a whole series of excises on new cars, tires, tubes, parts, accessories and lubricating oil, plus an extra two cents a gallon gasoline tax, he explained.

"In combination, federal and state gasoline taxes total 9 cents on every gallon purchased in Mississippi," he said, "making this the heaviest part of the cost of owning a car."

"Here in Hancock County we pay a total of 12 cents per gallon, including our famous seavall tax. We say 'seavall' because it is becoming the butt of tourists' jokes and is fast replacing any other vacation expenditure as the source of tourist complaints," Mr. Huth added.

BLUE JEANERS MEET MONDAY

The regular monthly meeting of the Blue Jeans Garden Club was held at the home of Mrs. C. Richmond, Monday, Mrs. Ruth Landry was cohostess.

An opening prayer was read by Mrs. Richmond. This was followed by an open forum on flowers. Winners of ribbons for arrangements were Mrs. A. Aeggaard, pot plants and cultivation, and Mrs. A. Bing, miniature arrangement. The entrance prize was also won by Mrs. Bing.

TEEN-AGE CLUB HONORS GRADUATES

The Bay St. Louis Youth Center played host Saturday to the students of Bay High, St. Joseph's Academy and St. Stanislaus in honoring this year's graduates.

During the evening the graduates of the respective schools were invited to sing their alma maters and receive mementos of the dance. Music was furnished by James Kramer's orchestra.

Mrs. Louis Holmes leaves Saturday to join her husband, Lt. Holmes at San Francisco, where he has been attending a special training course on atomic warfare.

Lt. Holmes has been ordered to take this course in order that he might be atomic warfare adviser at Camp Roberts, California.

Mrs. Holmes's daughter Allyson, will accompany her on the trip.

Brignac Anniversary Party Outstanding

Celebrating their 25th wedding anniversary, Mr. and Mrs. E. M. Brignac held one of the outstanding parties of the year at the Bay-Waveland Yacht Club Sunday.

In the form of a buffet supper, the silver anniversary party was staged from 6:30 to 9:30 in the evening. Over 200 attended the affair.

Long tables in the dining room and on the front porch of the yacht club were decorated with ferns, roses and white gladiolas.

JOHN WESTON WINS TROPHY

John Weston, son of Mr. and Mrs. Harold Weston, received Darlington School's Ross Lynn trophy for good spirit and conduct displayed on the school's football team. Darlington is located at Rome Georgia.

John, who returned from school last week, received the award despite the fact that he did not have enough actual playing time chalked up to merit a letter.

Holy Cross Drama And Music Groups Enjoy Banquet

The drama and music departments of Holy Cross High school, New Orleans, held their annual banquet at Annie's restaurant, Henderson Point.

This year the banquet was held to honor the entire company of 60 members which has given six performances of "The Mikado," a comic opera in two acts by Gilbert and Sullivan. The six performances at Holy Cross High School were terminated by an invitation from station WDSU-TV to televise "Highlights from the Mikado." The television show was a feature performance May 11.

The cast includes boys from Holy Cross and girls from the Academy of the Holy Angels of New Orleans. Also present at the supper were the Holy Cross tri-diretors, namely, Brother Vincent dePaul, C. S. C., director of dramatics; Brother Alfred, C. S. C., director of the school band; and Richard Crosby assistant director of the Tulane Band and faculty member of the Holy Cross High School's music department. Mr. Crosby is the director of the Holy Cross Glee Club as well as an instructor of music.

The trip came to a close with an outing at the Holy Cross Boys' Camp in Waveland.

YES, THERE IS CATHOLIC ATTITUDE

...on Big Business...on the Worker...on Fascism...on Race and Color.

"But, you may ask, 'what do you mean by a Catholic Attitude?' After all, what has religion got to do with Industry and Labor, Wages and Profits?"

Just this much, friend. Religion is more than a Sunday morning affair - it affects every moment of your daily life. Life is made up of actions, one right after the other - and these actions are either good or bad. Religion gives us the moral standards to judge whether these actions are right or wrong!

It is a question of right or wrong - it concerns religion - if an employer deprives his laborers of their just wages...if a selfish group "corners" the market and works "strikes" on others...if a union calls a strike that will cripple the whole country's economy.

This is where the Catholic Attitude comes in. The Catholic Church would be failing its duty if it did not apply the law of God to the many problems that beset today's world.

When Christ lived among men, they learned from Him the Christian attitude toward the social questions with which they were faced. He refused to meddle in mere politics, but He was careful to tell rulers not to exceed their authority. He warned Pilate that he had no right to commit injustice for the sake of expediency. He rebuked hypocrites who took advantage of

widows and orphans... Of course, the Catholic Church has always been a part of the social fabric of our country. These questions are not then extra-ordinary to us they are every bit as ordinary as those on which the men of His day. A voice is needed now to speak the same authority for the solution of our difficulties.

Christ established His Church to teach all men, to observe all that He had commanded - no directions in the religion of every-day life. It is for this reason we find Apostles criticizing the intolerance of their fellow-countrymen and proclaiming the equality of Gentile converts. We see St. Paul writing in great detail of the obligations of masters and servants of husbands and wives. From St. Peter we learn about taxpaying and obedience we owe to civil authorities. The Catholic Church continues this tradition today by expressing its attitude on the basically social problems of modern society.

You will find it well worth your while to investigate the Catholic Attitude on matters that concern us all: on Industry and Labor... Race and Color... Socialism, Democracy and Communism.

Write today for a free pamphlet explaining the Catholic Attitude on these and similar questions. For Pamphlet No. 10 - KC.

Membership's To Be Offered By Koble College

One hundred memberships to a Summer Swimming and Tennis Club at Koble College, Pass Christian, WILL BE offered to the youth and adults of the Gulf area on May 30th, according to an announcement made by the Reverend Douglas R. MacLaury, Administrator of the Board of Trustees of the College.

The 100' by 40' pool will be open to members from 1 to 5 p.m. Monday through Saturday, and on Wednesday and Friday evenings from 7 to 9 p.m. Admittance will be by membership only. A Senior Red Cross Licensed Life Guard will be on duty at all hours during which the pool is open. The tennis courts will be available from 8 a.m. until 5 p.m. daily except Sunday.

Beginners and Intermediate Classes in swimming will be scheduled for each month until September. Classes will be limited in number.

The swimming and tennis club memberships will be \$7.50 for the summer and memberships may be secured at the Gate House of Koble College from 9 to 5 p.m. on Friday and Saturday, May 30 and 31. Enrollment in the Beginners and Intermediate Classes may be secured Monday and Tuesday, June 2 and 3, 8 to 1 p.m. at the Gate House of the College. The fee for both the Beginners and Intermediate Classes will be \$10.00.

The Rev. Douglas R. MacLaury pointed out that membership in the Club will be a privilege and that all members must agree to observe the rules and regulations formulated in the interests of safety and sportsmanship. The fee charged will cover only a portion of the cost of guarding, cleaning and maintaining the pool, and the College reserves the right to withdraw privileges from any member not cooperating in observing the regulations.

Parents are encouraged to enter their children in the swimming instruction classes and to take advantage of this opportunity to have their children taught to swim by a qualified instructor.

Don't forget to join the crowd at the Knights of Columbus fish fry and street dance, for the benefit of the BACK SCHOOL, tonight at 8 p.m., Back School Gymnasium. Vic Green and his hillbilly band will be on hand to furnish the music.

CAMP'S J. A. TO COMMENCE JUNE 15

What could be more enjoyable than four glorious weeks spent in Bay Saint Louis on the beautiful Gulf Coast.

Camp Saint Joseph invites you for the most delightful weeks of Coast summer - JUNE 15TH to JULY 13th. - four weeks of uninterrupted sunshine, blue sky and salt air which combine with invigorating Gulf Coast breeze to create a climate that favors play, increases appetites and encourages relaxation.

The aims of Camp Saint Joseph are: to provide an opportunity for girls between the ages of 8 and 14 to secure a happy, healthful and safe summer vacation by taking an active part in the joys of outdoor life; to train the character of the campers by desirable attitudes both social and spiritual and to develop through proper environment and leadership, vigorous and healthful living and thus to contribute to the spiritual and physical strength of its campers.

Special religious devotions such as: Holy Mass, a candle light procession to the Shrine of Our Lady of the Woods and Benediction of the Blessed Sacrament help to promote zeal and the refinement of religion in camp.

Camp Saint Joseph provides an opportunity for a sympathetic staff to analyze and understand each individual child and to provide those adjustments which are necessary for the campers' fullest development.

All staff members have a professional interest in the particular position which they hold at camp. Counselors are chosen because of personal characteristics that tend to desirable leadership. They live, work and play with the campers. The staff includes nine Sisters of Saint Joseph, a registered nurse, seven lay counselors, two of whom hold Red Cross Life Saving Certificates and Instructor's Certificate. The Camp physician visits the camp at short intervals.

Beautiful grounds provide ample space for outdoor recreation activities. The gymnasium is the center of camp life, with a stage equipped with lighting and plenty of space for indoor sports and other forms of recreational games. The brick buildings, used for camp have been recently renovated. They are screened, well ventilated and properly lighted.

Activities Offered At Camp The combined experience of the staff in organization, spiritual and recreational activities provides a varied program. All camp activities are planned toward the full development of the child. A vacation program for health, recreation and character building is arranged to appeal to all of the campers. Under careful supervision and supervision such as tennis, bad-

miton, ping pong, archery and horseshoes, offer opportunity for development of agility, initiative self confidence and co-operation.

SWIMMING

With a water front ideally planned for swimmers of all ages, water sports have become the outstanding activity at Camp Saint Joseph. The swimming periods, giving individual instructions during the organized classes at 10:00 A. M. and 4:30 p. m. Red Cross life saving tests are given and, at the close of camp, certificates are mailed to campers, meriting recognition in their respective groups.

The system of supervising the general swim periods and the methods of instruction have received the enthusiastic approval of parents.

ARTS AND CRAFTS

Arts and crafts provide an opportunity for the discovery and development of natural talent. Patience, creativeness and skillful use of the hands in craft classes result in making knotted belts, weaving, clay modeling, basketry, woodburning, raffia work, shadowgraph and spatter painting.

Dramatics provide an excellent opportunity for the development

of poise. Programs include: singing, games and a variety of dance forms. The recreational aspects of folk, modern and ballet steps, square dancing and drills are combined with fundamentals of posture and grace. Campers are taught the principles of balance and form in body control. They plan and produce stunts, skits and plays which they themselves often create with the help of experienced counselors.

There is no activity which develops a girl's self reliance and initiative more than horseback riding.

Horseback riding is optional at Camp Saint Joseph. Saddle horses are supplied and the season's course in riding is under the able direction of patient and experienced instructors. Special attention is given to beginners.

NATURE STUDY

Camp Saint Joseph's surroundings are replete with natural beauty. Century old trees, ever green foliage, colorful flowers, birds, plants and insects furnish ample material for nature lovers to increase their store of information; while exploring in the nearby woods furnishes hours of delight for all campers.

CAMP LIVING

Bed making, outdoor cooking and care of clothes will be emphasized in an endeavor to form a well founded individual.

Personal grooming and maintenance of desirable health procedures are the daily responsibility of each camper.

A period of rest is a part of the daily routine.

WARDROBE

Since Camp Saint Joseph is a medium of recreation, girls who attend should come prepared to spend play hours in play clothing. The Coast wears blue jeans for hiking, T shirts and shorts for tennis and other lawn games. There are warm days, but the evenings are often cool, so sweaters are sometimes in season.

Gulf Men Compile 2-Year Accident Free Record

Captain T. H. Walker (left) of the winning Heidelberg field team, is shown receiving the top award in the 1951 Gulf Refining Company safety contest, from L. H. Moore, manager of exploitation, Shreveport District. It marked the second consecutive year Captain Walker's team walked off with top honors. The group worked more than 51,000 man hours without a single accident during the two-year period.

Eighteen men in the Heidelberg oil field were sporting handsome awards today, the result of having worked two consecutive years as a team without a single accident. The team, captained by T. H. Walker, a roustabout foreman, captured top honors in Gulf Refining Company's 1951 safety contest by working 36,112 accident free hours last year. This same group won first place in the Company's Mississippi contest in 1950 when it worked 15,584 hours without an accident.

Two other groups, one captained by L. W. Curtis, a shop machinist, and the other by A. E. Goldsby, a roustabout foreman in the Bucetta field, completed the year without an accident, but worked fewer man hours than did Captain Walker's team.

The Curtis team, composed of 17 men, won second place with 32,856 accident free man hours and the Goldsby team was third with 29,110 man hours without an accident.

Captain Walker's team, which compiled the remarkable two-year accident free record, was composed of L. H. Thompson, C. F. Leggett, D. O. Raine, W. E. Bolling, L. O. Norrell, J. C. Hobson, Olin Carter, P. T. Watson, F. L. Hilburn, P. M. Huddleston, J. C. Carter, C. L. Anderson, A. B. Johnson, A. T. McDaniel, O. L. Ables, W. J. Williams and R. T. Phillips.

The winners were given pen and pencil sets. Members of the second place team received bill folds and third place winners were awarded knives.

One hundred and twenty-seven men, all performing hazardous tasks, competed in Gulf's 1951 safety contest. They worked a total of 245,788 man hours with ten accidents, only two of which caused loss of time from the job.

Commenting on the 1951 record, Col. Joe T. Goodman, general manager of the Shreveport District of Gulf, which includes Mississippi, asserted: "Gulf's employees are the company's greatest asset and we are proud of the very commendable 1951 safety record. I hope it will continue." He urged each employee to fully understand and comprehend each assignment and to approach it in the most cautious manner.

Attending the Safety Award meeting at Heidelberg, in addition to Col. Goodman, were: L. H. Moore, manager of exploitation, Shreveport district; J. O. Phillips, superintendent of production, Shreveport district; Weldon Ramseur, Zone production superintendent, and R. M. Moon, employee relations advisor, Shreveport.
